

LECTERNS

Modern Designs for a Bold Statement

- Yorkshire is available in floor and table top models.
- Yorkshire floor models are available in a 25", 32" and a 42" special needs model with electric height adjustment. Pedestal Lecterns in 25" only. Both offer an over-size reading surface that holds a three ring binder, and heavy duty industrial casters for easy mobility.
- 25" Table top model sits on any surface yet performs like a full-size floor model.
- All models incorporate a high intensity reading light and LED digital clock/timer with countdown capability.
- See page 178 for premium sound system, height adjustment, custom logos and custom cut-outs.
- See page 168 for standard veneers, laminates, finishes and additional details on custom finishes.

The Yorkshire
Choice of brass, bronze or other trim creates a luxurious appearance.

Large reading surface conveniently holds a three ring binder.
